2008 Thames Valley Regional Conference

28th May 2008 at Lord Williams's Lower School, Towersey Road, Thame

U3A-The Nuts and Bolts and The Way Forward

“What can U3A do for you and what can you do for U3A”

Some members have been around for years and perhaps would like to think that they know everything about U3A.

Others may only have been members for a short while but wish to learn more about U3A.

Happily there are members who are prepared to admit that there is more to learn about U3A and who would like to improve their understanding of how things can be done. Are you one of them?

This conference is designed to help satisfy the thirst for knowledge, on how to assimilate what U3A is all about, what it can do for you, what you can do for U3A and how we all can benefit from the wide variety of Interest Groups.

CHATT hope that you will enjoy the opportunity to investigate the NUTS and BOLTS of running and contributing to your U3A, to appreciate the wealth of learning opportunities and to value making new friends. So be prepared to make yourself ready for action.

The programme for the day commences at 10.00 with registration, coffee or tea. Lunch will be taken at 12.45 and the conference concludes at 15.45, with tea or coffee. There will be a full conference programme where you will have the opportunity to listen and participate.
